

GEOHERMAL LEASE SALE PARCELS IN NYE COUNTY, NEVADA

Sources:

The geothermal parcel locations are from a BLM GIS dataset titled "Authorized2010GeoParcels.shp" dated 9/7/2010 and downloaded from URL www.blm.gov/nv/st/en/prog/more_programs/geographic_sciences/gis/geospatial_data.html. The BLM dataset provides the locations of authorized geothermal parcels, labelled by Lease Number (full lease number includes the prefix "NVN"). Year of lease sales and some authorized leases were added from reports extracted from the BLM LR2000. No geothermal sale parcels were located in Nye County for the 2011, 2012, or 2013 sales (see www.blm.gov/nv/st/en/prog/minerals/leaseable_minerals/geothermal0/ggeothermal_leasing.html).
